**Comment:** I live on Anyards Road with no allocated or off street parking or permits. Any housing development will drastically affect me and my family's access to our home which is already so busy and inconvenient. I have previously requested allocated parking for residents with no success to date.

The water pressure is an ongoing issue on the road, even after works by ses water have taken place.

The pressure of additional residents will not sustain the parking, the local doctors service and traffic to the A3 or Esher. Everywhere is so busy and unbearable as it is. It's impossible to park near my home, so hard to get a doctors appointment and traffic at an all time high.

Do not allow this development
