Comment: We strongly object to this proposed development. The constant standstill traffic entering and departing Old Oak Close on to Copse Road/Anyards Road is already a huge issue for the residence of Old Oak Close. Adding an additional 25+ residences in this already densely populated area of Cobham will only exacerbate the traffic issues mentioned in almost all of the other objections. The sheer number of new dwellings seems incredibly disproportionate to the size of the plot and not in keeping with this part of Cobham. .
