**Comment:** Cobham is already overcrowded and the roads are far too congested. Getting kids to school on time in the mornings is very difficult and stressful. More dwellings will increase traffic and the chance of road traffic accidents making the village a less safe place for all. In addition, this will increase the demands on the Cobham Health Centre. In the past year i have been unable to make a single appointment for myself with a GP as all appointments are taken before 8.15 am which means i have to go to private GPs. Such small, crowded dwellings are out of character with the general Cobham layout and development.
