Comment type: You object to the planning application

Date of comment: 07 Mar 2024

Comment: As the changes made to the latest planning app are pretty minimal I continue to object to it. The proposed building's scale and height remain overbearing and are not in keeping with the surrounding village. It may be that planning regs are being breached. Concerns about loss of privacy for adjoining properties have not been addressed. I have lived in Oxshott for 30 plus years and agree that re development is needed but not at this scale.
