Comment type: You object to the planning application

Date of comment: 10 Mar 2024

Comment: I object to the application on the grounds that:

*It will cause additional traffic concerns on an already narrow and busy road

*it will potentially cause damage to the root systems of nearby trees - some of which have TPOs

*it will have significant negative impact on the neighbouring streets during the extended period of construction

*it will result in a significant reduction of communal space as it encroaches on the pavement area - an area that is used for many community events such as the annual Oxshott Christmas celebrations

* it is not in keeping with the existing buildings of the village
