Name: Miss Dowdeswell

Address: 26, Pitfold Avenue HASLEMERE Haslemere GU27 1PN

Comment type: You object to the planning application

Date of comment: 27 Mar 2024

Comment: The traffic in Oxshott high street is already appalling due to the M25 junction and it has always been used as a major cut through therefore if building works are going to disrupt the high street more with temporary traffic lights and construction traffic the area will be at a stand still. If you work in the village parking is currently awful due to tradesmen vans for a smaller development therefore with a larger development we will have to find alternative parking further away.
