Hey Carol-Ann,

I have been consulted on the attached, which seeks to form an irrigation reservoir. The Burhill Golf Club House is a grade II listed building but it is some distance from the proposed reservoir location (Area A). There are biodiversity improvements in other areas (B and C) which are closer to heritage assets (Norwood Farmhouse and Heywood which are grade II listed and Kingsmere which is locally listed) but there would be no impact on their setting.

I therefore have no objection.

Happy to discuss.

Cheers,

Jon
