Comment: I am deeply opposed to the redevelopment of Hersham Golf Club & the building of 221 residential dwellings.

The infrastructure for residents of Hersham is already creaking to the point of breaking point. Schooling, Pre-school child care, parking, policing, pot-hole ridden roads & traffic congestion all currently present serious problems. Traffic congestion has been great exacerbated by the traffic scheme imposed upon the A244. At least twice a day, the A244 & Lammas Lane are totally gridlocked. 221 additional homes will likely result in 1,000+ more Hersham residents & 400+ more cars using these roads on a daily basis. Where are the facilities and services to accommodate these people going to come from?

Hersham Golf course is a popular and reasonably priced Leisure facility; the only outdoor, adult Leisure Facility in Hersham. The children's Safari Mini-Golf is a very popular family Leisure facility. Both facilities should be preserved for Hersham's residents & others.

I UNDERSTAND THAT MY OBJECTION IS BEING SUBMITTED LATE BUT I WISH TO ALSO SUBMIT A COMPLAINT THAT THIS PLANNING APPLICATION HAS NOT BEEN WIDELY PUBLICISED (by design?) & I HAVE ONLY JUST HEARD ABOUT IT, YESTERDAY. I THEREFORE STRONGLY REQUEST THAT MY OBJECTION IS CONSIDERED..

This planning application threatens to further reduce the quality of life of all Hersham residents; particularly when in viewed in tandem with the proposed Hersham Shopping Centre Application. Hersham would be reduced a housing dormitory without adequate leisure or shopping facilities. I most strongly object to this Planning Application and to Hersham being ruined in this way.
