Comment: Further to my comments in a previous objection, I find no consideration has been given to its contents?

I will list what I consider to be the main issues here –

1. There is no parking at all allocated for 19-26. And not enough for the other plots. We live opposite and parking is already a nightmare.

2. Access to the site is on a very dangerous blind corner. This was made one-way, many years ago because of this. The other is a tiny alley onto an already shockingly busy residential street.

3. The block on the corner of Anyards Road is still way too big, and in your face. We were shocked to find the beautiful old piano shop is not protected. And replacing it with a huge monstrosity unacceptable.

4. Is this really housing for those that need it, or are we looking to increase the number of overly wealthy people already in Cobham,
