Comment: Commenting on your latest letter dated 14 May 2024, listing the latest amendments to proposed plan, revision C.

We cannot see any advantages to the amended road plan as to conform with regulations and to achieve the 4m to accommodate access for refuse lorries and other large vehicles, the safety of pedestrians and cyclists is totally ignored by only forming a shared path/roadway, plus the close proximity of vehicles using the roadway to the proposed houses.

We confirm that we strongly object to this proposed development.
