Date of comment: 22 May 2024

Comment: I believe that the proposal to develop so many houses and flats out of just one existing house would be extremely detrimental to this area. Traffic has become particularly bad in this road with cars parked on the street, the school run and children being picked up. It has become very difficult to travel down this road. Having so many more people live here from this development would make it even worse. In addition, this type of proposal would take away the character of the area significantly. These amended plans do not make any difference to my concerns. Please do not allow such a development out of what is a perfectly good size house.
