

**Our reference:** COM617731187

**Application number:** 2023/2860

**Application address:** Land West Of 10 To 26 And Land At 12 Claygate Lane Esher Surrey KT10 0AQ

**Name:** Mr Hill

**Address:** 28 Claygate Lane, Esher, Surrey, KT10 0AQ

**Comment type:** You object to the planning application

**Date of comment:** 27 May 2024

**Comment:** I am just adding to our previous objection. There are so many reasons this should not be allowed and it would have disastrous consequences on the local habitat which I have previously listed. The new amendments go no way in addressing any of those concerns and regarding vehicles and access to the site - it will only add to the mayhem already experienced on Claygate Lane. You have to live there to realise how close we already are to accidents and of course when bringing in the amount of school kids that are in the vicinity we fear that a child could get hurt. It should be noted that a test on a random day to observe traffic is not a fair representation as we see some days far, far worse than others with buses, work lorries, cars, pedestrians all unfortunately trying to get through. A chat with Sue the lollipop lady would be a useful indication to show the real challenge faced at school pick ups and drop off times. Nothing to add to this situation should be allowed if safety is a real concern. Thankyou.
