Address: 136 Portsmouth Road, Cobham, Surrey, KT11 1HX

Comment type: You object to the planning application

Date of comment: 14 Jun 2024

Comment: I object for the following reasons

This scheme once again does not look any different from the previous applications and the concerns raised previously have not been addressed and the introduction of FOGS is a cheap ugly way to keep density to a maximum

Loss of light / Overshadowing / Right to light law

nearby properties have had continuous light for 20 years,

The proposed development would be out of character with this area of Cobham.

The issues and concerns with parking have still not been addressed
